RE: 2027 Renewal for Muskogee County Retirees

Dear Dylan:

We appreciate the opportunity to serve as the insurance provider for the Muskogee County retirees and their spouses.

For 2027, several benefit changes were necessary to help keep premiums at a reasonable level. The most notable change is to the prescription drug deductible. All benefit changes are highlighted in yellow on the attached comparison grid for your review.

Our proposed rates for your Senior Health Plan options are as follows:

	2026 rate	2027 standard rate	2027 commission rate	2027 total rate
Muskogee County Enhanced	$204.60	$198.60	$6.00	$204.60
Muskogee County Basic	$27.00	$35.00	$3.00	$38.00

We hope to continue to serve the Muskogee County retirees in the coming year. Attached is the 2027 Renewal Acceptance form. To renew the plan, we will need this completed form returned to us at your earliest convenience. You may fax the acceptance form to 918-878-5978 or email to us at medicaremarketing@ccok.com.

Member materials will be sent to each enrolled retiree later this month in preparation for Medicare's Annual Election Period that begins October 15th and ends December 7th.

Please let me know if you have any questions or if we can be of assistance in any way.

Best wishes,

Steven Duncan
