16. Project Category: **(Circle One)**

Eligible Projects as provided by State Statute:

1. Rural water quality projects, including acquisition, treatment, distribution and recovery of water for consumption by humans or animals or both.
2. Rural solid waste disposal, treatment or similar projects.
3. Rural sanitary sewer construction or improvement projects.
4. Rural road or street construction or improvement projects.
5. Provision of rural fire protection services and public safety services.
6. Expenditures designed to increase the employment level within the jurisdiction of the entity.
7. Provision of health care services, including emergency medical care, in rural areas.
8. Construction or improvement of telecommunication facilities or systems.
9. Improvement of municipal energy distribution systems.
10. Community buildings, town halls, senior nutrition centers, meeting rooms or similar public facilities.

Excluded Projects by Board and/or State Statute.

- Ineligible projects include activities not encompassed by the 10 eligible project categories and not meeting the statutory population thresholds enumerated previously including:
 - Consumable goods, office supplies, and personnel costs
 - Park projects including park maintenance equipment (except community centers and similar public facilities located in parks which are eligible – see #10 above)
 - Fairgrounds projects (except community centers and similar public facilities located in fairgrounds which are eligible – see #10 above)
 - Veterans' memorials
 - Codification of ordinances, Capital Improvement Plans (CIP's), Comprehensive (Land use) Plans
 - Housing projects/programs (demolition, emergency repair, rehabilitation, construction)
 - County maintenance barns or any other district-wide projects for county commission districts with a greater than 7000 population

17. Detailed Project Description (attach preliminary engineering if available, size, type, dimensions, and location, and/or other pertinent information). Highlight area or location on a map and include with application.

Grade, drain and surface of 2 miles of Davis Field Rd from Hwy 64 west to S 40th St W. Mill surface and stabilize sub-base then re-overlay surface with Type B asphalt and reshape ditches

Example Project Descriptions:

Not Acceptable: 1 mile of water line

Acceptable: 5,280 feet of 6-inch PVC waterline to add 12 homes to the Longview Addition

(attach additional page(s) if necessary)

18. Project Justification:

Road is a major collector that has a high volume of daily traffic. Road base is unstable and may become dangerous if not repaired. Project exceeds current district budget availability to complete without grant support.

_____ (attach additional page(s) if necessary)

I, Ken Doke do hereby certify that the information in this
(Name)

Application is true and correct to the best of my knowledge and that it has been

reviewed and approved by the governing body of Muskogee County Dist 1.

20. STATEMENT OF UNDERSTANDING AND ASSURANCES

As the Chairman of BOCC of
(Mayor/Chairman of Board of Co. Comm.)

Muskogee County, I understand the following criteria for
(Town, City or County)

eligibility for and participation in the Rural Economic Action Plan Fund(s).

I. Any of the items not addressed on the application will not be assigned any points and a zero will be recorded for that item. Failure of incorporated entity to provide current audit summary sheet will constitute an ineligible application.

II. For unincorporated areas outside of cities and/or towns: A map indicating the geographical area benefitting from the application shall be provided. Documentation of the population that will benefit and evidence of an existing community organization (fire department, senior citizens group or community organization) that will be responsible for grant implementation and on-going maintenance and/or operation must be included. The population estimate must be signed by the county commissioner of the area or the Chairman of the Board. The county agrees to be a sponsoring unit of government only, and all areas of responsibility for maintenance and operation of the project will lie with the unincorporated entity.

(Mayor/Chairman of Board of Co. Com.)
