RE: DR-2019-Muskogee CO-00019 Grant Budget Modification Request
Muskogee County Okay Rd project

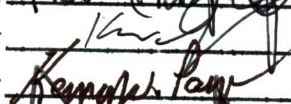

To whom it may concern:

Muskogee County is currently committed to leverage in the amount of \$501,507.52. toward the completion of the Okay Road and Bridge Rehabilitation project. Those funds were obligated as eligible costs from an awarded FEMA HMGP Advanced Assistance grant. Additional invoices have been submitted to FEMA HMGP A/A in the amount of \$22,199.54, bringing the total invoices submitted to FEMA HMGP A/A to \$523,707.06. Projects outlined, in that grant, have been completed, and it is now closed. The FEMA HMGP A/A grant was a 75% reimbursement grant. The breakdown of leverage sources is FEMA HMGP A/A \$392,780.29, Muskogee County \$130,926.77. We are requesting an increase in the County's leverage Commitment for the project of \$22,199.54. Making the new leverage amount \$523,707.06. Thank you for your assistance in this matter.

Keith Hyslop,
