(918) 869-9103 Chairman [Signature]

Member [Signature]

BILL Member [Signature]

Attest [Signature]
County Clerk

Location: Brett Smith's courtroom

Bid includes removing witness stand chair, removing approximately 41" x 47" in front of the witness stand/jury seating opening, frame a floor to the same height as jury seating floor, remount witness chair slightly forward from existing location, turn the 2 large tables over to add oak bracing under to minimize table from shifting. adjust the swinging doors to the front area, prepare existing base and backing for reinstalling in the back of the audience area of the courtroom. There is also 1 piece of base to be installed by the air conditioner in Judge Kings office.

Materials include 2x4's, 2x6's, 3/4" plywood, oak bracing, screws, nails, and adhesives.

All wood cutting to be performed in the outside parking garage, all leftover construction will be disposed of.

Work to be executed on down days of Judge Smith's court days.

Total labor and materials \$1,655.00

Work is complete Total Due \$1,655.00

Judge Smith requested additional work which is completed.

Additional Work: Juror room deliberation table very weak and wobbly, and adjust all the prosecutor and attorney chairs to equal heights.

This work is completed as well.

Total labor & materials \$325.000

Total of both jobs \$1,980.00

Payable to Greg Carter dba Carter Constrution
