REQUIREMENTS FOR CONTRACTS-FEDERALLY ASSISTED  
(These requirements only apply to be considered for Federally assisted projects)  
(County funded projects are un-effected)

All bids must include assurances that the following provisions will be complied with for a federally assisted project:

1. Federal Labor Standards Provisions, U.S. Department of Labor, 29 CFR Part 5; Subpart A; Davis-Bacon Act for use of the appropriate Davis-Bacon wage rates for the county and state in which the project is located, and Subpart B; Fringe Benefit Provisions. Contractors will be required to pay Davis-Bacon wage rates, current at the time that work is performed. These will be provided with the contract award documents. Weekly Payroll Reporting will be required.
2. HUD Section 3, 24 CFR part 75 - public construction projects assisted under HUD programs that provide housing and community development financial assistance when the total amount of HUD assistance to the project exceeds a minimum funding threshold requires that to the greatest extent feasible opportunities for training and employment be provided to lower-income residents of the project area and contracts for work in substantial part by persons residing in the area of the project. Applicable to contracts in excess of \$200,000.00.
3. Section 109 of the Housing and Community Development Act of 1974, which assures that no person shall, on the grounds of race, color, national origin, sex, religion, age, disability, or family status be excluded from participation in, be denied the benefits of or be subject to discrimination;
4. Non-Segregated Facilities, assures the bidder does not maintain or provide any segregated facilities;
5. Equal Opportunity Provision - Executive Order 11246, as amended, which assures non-discrimination;
6. Minority Business Enterprise and Women Business Enterprise provisions which encourage minority-owned businesses and women owned businesses to bid on the project;
7. Circular 570 - Assurances that surety companies executing bonds appear on the Treasury Department's list and are authorized to transact business in the State where the project is located.
8. SAM.gov – contractors must have an active registration with no exclusions in order to receive a federally assisted contract.

I acknowledge that I have read the requirements to be considered for Federally assisted projects, and by signing agree to comply with said requirements.
