**** Mounting and balancing NOT included****

According to Oklah DEQ, a tire with rim size of less than or equal to 19.5 inches or Automobile Tire will have a \$2.90 tire recycling fee added, and any rim size greater than 19.5 inches and tread width less than or equal to 12 inches will have a tire recycling fee of \$5.50 added. Off road tires have a \$25.00 tire recycling fee added. These fees are not added into the prices of tires

Repair Price – is the price to fix a tire without replacing it. This is not added into the price of the tire
