Hello Commissioners,

This is Carson with ACCO, I have a claim that happened on 9/18/23, it involved a sheriff vehicle, and the car was a total loss. Attached to the email is the closing report and the appraisal document. The ACV of the vehicle is \$28,791.17, my appraiser has a upfitting charge on the closing report, since most of the equipment is not damaged our first payment would be in the amount of the ACV and if there is a break down charge, please send me documentation and we can reimburse the County. There is also a salvage bid for the vehicle in the amount of \$1,650. If the County would like to keep the vehicle, please let me know and we will deduct that amount from the ACV.

If you have any questions, please contact me.

Thank you,
