

Fiscal Recovery Funds
Expenditure Documentation

Date 7/10/2023

MUSKOGEE County, Oklahoma

Identify the need or risk

Ingress and egress for residents on E. 133rd St. S is impaired during significant weather events due to flooding and deterioration of the asphalt surface causing the road to be hazardous to drivers.

How does the proposed expenditure respond to the need or risk?

An asphalt overlay of the road will raise the road base and assist in proper drainage thereby alleviating road flooding and allow for safer travel.
