

ADDITIONAL SERVICES PROPOSAL

The Assessor for Muskogee County, Oklahoma (“Customer”) has requested that DataScout, LLC (“DataScout”) provide additional services beyond those set forth in the Working and Pricing Order (“WAPO”) entered into on July 1, 2022 between DataScout and the Customer. Pursuant to the Customer’s request, DataScout submits the following written proposal defining the scope and costs for an additional services agreement.

1. Scope of additional services with respect to the DataScout OneMap software:

(a) The Customer shall have use of the **Premier Access service package** for DataScout’s OneMap Assessor extension software for the period of December 6, 2024 through June 30, 2025, a portion of the period remaining in the original term of the WAPO entered into on July 1, 2022, and ending on June 30, 2026.

2. Cost: The additional cost to the County Clerk for the **Premier Access service package** shall be \$5,495.00 beginning December 6, 2024.

The parties, by their respective signatures below, agree to the above proposed scope and costs for the additional services described herein. The Customer also agrees this executed agreement for additional services is subject to and incorporates herein the terms and conditions of the Master Services Agreement and the July 1, 2022 WAPO, each entered into between DataScout and the Customer.
