Identify the need or risk

Ingress & egress on S 65th St E. is impaired during significant weather events. This causes hazardous conditions for school buses, emergency vehicles, and local traffic. It is subject to frequent flooding which has caused damage to the road making it dangerous for travel during significant weather events.

How does the proposed expenditure respond to the need or risk?

Repairs to S 65th St E. including grade, ditchwork/drainage, and surface will help mitigate the problem thereby making it safer for individuals and emergency vehicles traveling on it.
