

Fiscal Recovery Funds
Expenditure Documentation

Date 5/30/2023

Muskogee County, Oklahoma

Identify the need or risk

Carpet in the District Attorney's Office is old, ripped, and very unclean. It is not possible to sterilize the carpet.

How does the proposed expenditure respond to the need or risk?

If a hard surface is installed, it would make it possible to bleach and/or sanitize the flooring on a regular basis. Sanitized flooring will assist in protecting employees and the public from the spread of COVID and other contagious diseases.

Expenditure Category Infrastructure

Expenditure: detail level 1.4 Prevention in Congregate Settings

FAQ number (if applicable) _____

Estimated amount of expenditure \$ 65,100.00

Submitted to Governing Board by Larry Edwards, District Attorney
