RE: COVID protection

Dear Commissioners:

We are requesting 75 chairs and 7 dollies for use in our courtrooms. We are in need of additional chairs to accommodate the vast juror pool. Since the COVID pandemic hit, we have been attempting to space jurors apart no less than six feet so that they are protected from the spread of COVID. We currently do not have a sufficient number of chairs. This has left us borrowing all the chairs that we can from other offices in attempts to secure the number needed each time. Being able to separate the jurors a minimum of six feet apart will assist in protecting the employees and the public they wait on from the spread of COVID. In light of the recent increase COVID cases, I believe this is necessary in order to slow the spread of COVID. It is imperative that we create a safe atmosphere to protect the public.

We have received two quotes for the chairs and one other quote was obtained online. They are attached.

Sincerely,

[Signature]
