RE: COVID Protection

Dear Commissioners:

We are requesting the purchase of two conference tables for District Judge Timothy King's courtroom. Judge King is one of our two District Judges that preside over all types of civil and criminal cases which require the presence of both plaintiff and defense attorneys, as well as their clients at most hearings.

As you know, COVID-19 continues to cause issues. The two conference tables would provide separate work areas on which to confidentially arrange their work product for their respective cases. The two separate work spaces would substantially reduce the close contact between all parties that they are currently forced to endure. The separation would also drastically reduce the chances of the spread of COVID-19.

I have received three quotes for the proposed purchase of the two conference tables. They are all three enclosed: Cabinfield - \$10,966.00; Five Star Office Supply - \$9,950.00; Dutchcrafters - \$6,933.43. We are requesting the purchase of the conference tables be paid for with ARPA funds and would like to accept the quote from Dutchcrafters in the amount of \$6,933.43.

Sincerely,

A handwritten signature in black ink that reads "Robyn Boswell". The signature is written in a cursive, flowing style.
