

**RESIDENTIAL ANTI-DISPLACEMENT AND
RELOCATION ASSISTANCE PLAN**

The Muskogee County will undertake public facility improvements funded through the Community Development Block Grant program. No demolition or conversion of low/moderate-income dwelling units is anticipated by Muskogee County in conjunction with the activities assisted with these funds. Under Section 104(d) of the Housing and Community Development Act of 1974, as Amended, if such demolition or conversion unexpectedly occurs, before obligating or expending funds that will directly result in such demolition or conversion, Muskogee County will make public and submit to the Oklahoma Department of Commerce the following information in writing:

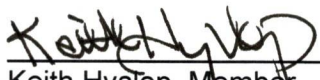

1. A description of the proposed assisted activity;
2. The location on a map and number of dwelling units by size (number of bedrooms) that will be demolished or converted to a use other than as low/moderate-income dwelling units as a direct result of the assisted activity;
3. A time schedule for the commencement and completion of the demolition or conversion;
4. The location on a map and number of dwelling units by size (number of bedrooms) that will be provided as replacement dwelling units;
5. The source of funding and a time schedule for the provision of replacement dwelling units; and
6. The basis for concluding that each replacement dwelling unit will remain a low/moderate-income dwelling unit for at least 10 years from the date of initial occupancy.
7. Information demonstrating that any proposed replacement of dwelling units with smaller dwelling units is consistent with the housing needs of low/moderate-income households in the jurisdiction.

If displacement of low/moderate-income household occurs in conjunction with the public facilities improvements funded with CDBG funds, Muskogee County will provide relocation assistance, as described in 570.496 (b)(2) to each low/moderate-income household displaced by the demolition of housing or by the conversion of a low/moderate-income dwelling to another use as a direct result of assisted activities.

Adopted this 24th day of March, 2025, by the Muskogee County Board of Commissioners.
