

Fiscal Recovery Funds
Expenditure Documentation

Date

County, Oklahoma

Identify the need or risk

W 20th Street North - from N 164th west to US Highway 64, approximately 1.6 miles is a major feeder road with school bus traffic, emergency vehicle access and local traffic. It is subject to frequent flooding which has caused damage to the road making it dangerous for travel during significant weather events.

How does the proposed expenditure respond to the need or risk?

Repairs to this road include grade, ditchwork/drainage, and surface to help mitigate the problem thereby making it safer for individuals to travel.
