The Lessee shall also retain the right to participate in such defense and shall, in any event, provide the Lessor with all available information, assistance and authority to enable the Lessor to conduct the defense. Subject only to the terms of this paragraph, the Lessor shall hold the Lessee harmless from any liability arising from any patent suit such as is described above. In the event any of the equipment shall be held, in any suit, to constitute an infringement of patent law, and its use shall be enjoined, then the Lessor shall, at its sole option and the Lessor's expense:

In the event that the Lessee determines that sufficient funds have not been appropriated to make the payments required under the terms of the agreement, the obligations of the Lessee under this agreement shall terminate. In such event, the Lessee shall give prompt written notice of termination to the Lessor.

XIII. Assignment

The Lessor may, with the prior written approval of the Lessee, assign its right to receive payment of lease due under the terms of this agreement. However, any such assignment shall not relieve the Lessor of its responsibilities to perform the duties and obligations imposed upon it by this agreement.

XIV. Road Machinery and Equipment

In the event any litigation shall occur concerning the terms and conditions of this lease or the rights and duties of the parties, the parties agree that any such suit shall be maintained in the District Court in and for the Board of County Commissioners of Muskogee County, State of Oklahoma.
