Re: INSURANCE VERIFICATION FY-2026

Dear Commissioners:

As per 69 O.S. 1991, Section 636.5, paragraph D: All risk physical damage insurance shall be carried on all equipment and road machinery purchased through the County Road Machinery and Equipment Revolving Fund.

Please review the list of equipment detailed on the enclosed lease renewal form and verify that the required insurance coverage is in place by signing this letter and returning it to this office.

Please email your completed documents to me at JeHankins@odot.org.

Re: **EQUIPMENT LEASE RENEWAL STATE FY-2026**

Dear Commissioners:

It's time to renew the leases and verify insurance coverage for the equipment your county is currently leasing through the County Road Machinery and Equipment Revolving Fund. Enclosed are two documents: The lease renewal form and the insurance verification letter. **Both documents require action by your Board.** If you wish to renew your leases for State Fiscal Year 2026, please execute these forms at an upcoming Board Meeting and email a copy to this office. **It is not necessary to mail the original.**

If your County Government mandates specific language be included in either document, please add that to the bottom of the form and attach any additional documentation to the form. **DO NOT** retype either form or amend the language and/or format of either form in any other way.

If you do not wish to renew any or all of these leases, please so indicate your request to cancel on the renewal form and scan a copy to this office along with your Resolution to do so. Upon receipt of your request to cancel, ODOT will make arrangements for the return of the equipment. If you do not renew, you do not need to send the insurance verification.

If your office is in the process of a payoff for any of the listed equipment, please line through that Agreement number.

Thank you and please do not hesitate to let me know if you have any questions or need additional information. We're happy to help in any way we can.

Sincerely,

Jessica Hankins
