

Fiscal Recovery Funds
Expenditure Documentation

Date

County, Oklahoma

Identify the need or risk

Due to the increased death rate in Muskogee County, arising from COVID related illnesses, burials in the county cemeteries increased. It is necessary that the County have equipment available to conduct these burials more often than previous times.

How does the proposed expenditure respond to the need or risk?

The purchase of this equipment will allow the district to have equipment available to conduct burials when other equipment is committed to other projects.
