RESOLUTION

RE: EFT VENDOR PAYMENTS

Muskogee County Clerk, Polly Irving, is requesting the BOCC support to begin EFT (Direct Deposit) payments to Vendors in place of paper checks.

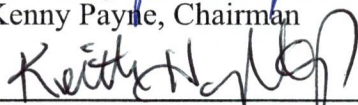

The benefits of EFT payments instead of paper checks are:

- Eliminate additional expenses for checks
- Eliminate postage expense
- Minimize the claims of lost/stolen checks in the mail and minimize the Stop Payments.

Passed this 3 day of ^{Jan. 2023} ~~December, 2022.~~

Board of Muskogee County Commissioners
