Over the past year, we have made significant gains, and together we are poised to build a brighter future for counties and our nation. With the support of your membership, here are a few examples of how NACo has positioned county officials for success:

- ✓ Secured additional flexibility for counties to invest **American Rescue Plan** funds towards transportation and infrastructure projects, disaster relief and Community Development Block Grant program projects.
- ✓ Engaged in the development of a **Farm Bill reauthorization** to ensure the inclusion of county priorities, especially investing in the capacity of rural counties and improving ease of access to and flexibility of Farm Bill programs.
- ✓ Launched the second year of **Operation Green Light for Veterans**, a national campaign to recognize the invaluable contributions of America's military veterans and their families and advocate for federal policies that support veterans and county service officers.
- ✓ Tackled the challenge of **housing affordability** by developing an in-depth analysis and over 25 best practices for counties to consider.
- ✓ Unveiled the first-of-its-kind **Mental Health First Aid** program to help county employees identify, understand and respond to signs of mental health and substance use challenges among our peers, friends and colleagues.
- ✓ Delivered new, evidence-based resources from our **Opioid Solutions Center** to help state associations and counties maximize impact for opioid settlement dollars.
- ✓ Ensured counties continue to have a voice at the table as states develop **Broadband Equity, Access and Deployment Program** plans to connect every unserved and underserved location with high-speed, affordable internet access.
- ✓ Invested in the future of the county workforce with our **High Performance Leadership Academy and Cybersecurity Leadership Academy**, online 12-week programs to equip frontline county government professionals with practical leadership skills.

We are stronger when counties across America are united in pursuing our common goals.
