RE: **Hazard Mitigation Grant Program (HMGP), Muskogee County Advance Assistance FEMA DR-4438**

Dear Mr. Gower,

Accompanying this letter is a commitment by the Muskogee County Board of County Commissioners to provide 25% local share for the Muskogee County Advance Assistance Application. The County hereby commits to providing its local share of \$376,000. The County intends to match the FEMA grant using Community Development Block Grant Disaster Recovery (CDBG-DR) funds from the Oklahoma Department of Commerce. Muskogee County is prioritized for the funds and anticipates availability by January 2022. If for any reason the CDBG-DR funds are unable to be secured for this project, the County commits to funding the local match through a local funding source.

Muskogee County selected Meshek & Associates, LLC meeting, as the consultant for the project. The selection process was completed following local, state, and Federal Procurement requirements, in compliance with the 2 CFR 200. Muskogee County Emergency Management will oversee implementation of the planning process upon award.

Muskogee County requests any available sub-recipient Management Costs in accordance with the DRRRA Act of 2018, and FEMA Interim SRMC Guidance.

Should you have questions, please contact Jeff Smith, Emergency Management Director by email at jsmith@readymuskogee.org, or Annie Vest, Planning Department Manager, Meshek & Associates, LLC, at avest@meshekengr.com
