CONDITIONS: The prices and terms on this quotation are not subject to verbal changes or other agreements unless approved in writing by Busch and Associates. All quotations and agreements are contingent upon strikes, fires, availability of materials and all other causes beyond our control. Prices are based on costs and conditions existing on date of quotation and are subject to change by the Seller before acceptance of order. Typographical and stenographic errors are subject to correction. If this quotation is not based on your written request for quotation, then all standard conditions apply. If your purchase order is received as a result of the quotation and contains conditions and terms not previously known to Busch and Associates, we reserve the right to requote based on these conditions. Conditions not specifically stated herein shall be governed by established trade customs. Upon receipt of your order and acceptance of the order by Busch and Associates, the equipment herein will be supplied at the quoted prices below.
