Identify the need or risk

Ingress and egress on 3.5 miles of 243rd St in District 2 is impaired during significant weather events. As a result, cracked road surface and pavement failure has caused hazardous conditions for school buses, emergency vehicles, and local traffic.

How does the proposed expenditure respond to the need or risk?

Repairs to 3.5 miles of 243rd St including grade, ditch work/drainage, surface, etc. will help mitigate the problem thereby making it safer for school buses, emergency vehicles, and individuals traveling on it.
