Identify the need or risk

E 273rd Street South between Hwy 2 & S 65th Street East. is located next to Porum Public School with school bus traffic, emergency vehicle access and local traffic. It is in disrepair and has sustained pavement failure making it hazardous for ingress and egress to the school and also for daily traffic.

How does the proposed expenditure respond to the need or risk?

Dist. 2 will address any drainage issues, put down 1 mile of a 2" asphalt overlay, stripe and install guardrails. This will allow school buses, emergency vehicles, and local traffic to safely use the road.
