RE: COVID Protection

25 day of July 2022
Chairman [Signature]
Member [Signature]
Member [Signature]
Attest [Signature] County Clerk

Dear Commissioners:

We are requesting the installation of closed circuit computer/camera system in Judge Robin Adair's courtroom. Judge Adair presides over the arraignment docket each day, which usually involves fifteen to thirty defendants, and their attorney and/or bondsman, in appearance. Judge Adair also handles every preliminary hearing on all felony matters, disposition dockets, mental health dockets, etc., all of which requires the defendant's appearance.

As you know, COVID-19 cases have begun to escalate recently. With a camera/computer system installed compatible with the system at the jail, Judge Adair would have the option to have hearings via teams, skype, or a like program which would negate the need for in person hearings. This would most assuredly minimize the spread of COVID from and to the jail.

I have received three quotes for the proposed equipment and installation of this computer/camera system. They are all three enclosed: Spark Services - \$7,862.37; World Tech of OK - \$6,132.00; and The PCLZ - \$5,992.00.

Sincerely,
[Signature: Robyn Boswell]
Robyn Boswell
