

OKLAHOMA STATE TREASURER
UNCLAIMED PROPERTY

March 23, 2023

Dear County Clerk:

Attached please find records regarding Mineral Interest Report as required by §658.1 of Title 60 (excerpt follows).

All holders of intangible property interests generated by a mineral interest in land in Oklahoma shall report to the State Treasurer, in addition to the reporting otherwise required by law, the names and last-known addresses of owners of record of the unclaimed mineral interest, the legal description of the land affected, and the extent of the property rights in the mineral interest. Only one report with respect to each owner and mineral interest is necessary; subsequent reports must include complete information with respect to all new owners and new unclaimed mineral interests.

The State Treasurer shall send a copy of the report required by this section to the Attorney General and the District Attorney of the county in which the land is located. Except to a claimant of the unclaimed mineral interest, or as necessary to effectuate a judicial sale as set forth in § 271.1 of Title 84 of the Oklahoma Statutes, the legal description of the mineral interest and the extent of the property rights in the mineral interest shall be deemed confidential and not released to the general public by the State Treasurer, Attorney General or District Attorney. The State Treasurer shall send a report reflecting only the names and last-known addresses of owners of record of the unclaimed mineral interest to the County Clerk of the county in which the land is located, and the Clerk shall maintain the list for public viewing. The Clerk shall also report to the Board of County Commissioners that the report has been received and note the receipt in the minutes of the meeting, so the public can be informed.

Please contact Kathy.Janes@treasurer.ok.gov or Michael.Krase@treasurer.ok.gov if you have any questions regarding the enclosed CD.

Sincerely,

Kathy Janes
