**WHEREAS**, the Authority was established to provide a centralized dispatch facility for emergency services within Muskogee County, Oklahoma, and;

**WHEREAS**, it has been deemed necessary that the Authority must be provided additional operation funding over and above the telephone 9-1-1 fees established by the Oklahoma legislature and the citizens of Muskogee County, and;

**NOW THEREFORE**, in consideration of the mutual promises between the parties as stated herein, the parties agree as follows:

**SERVICES TO BE PROVIDED:**

Dispatch services for Law Enforcement, Fire and EMS for emergency and non-emergency calls for service from the public, as well as enter and process all emergency service personnel self-initiated calls.

Such aforementioned total cost of operations including personnel, maintenance and operations, and any capital outlay expenses will be reduced by the total revenue from 9-1-1 service fees anticipated to be received from wireless, wired and Voice over Internet Protocol (VoIP) services by the Authority from the Oklahoma Tax Commission and directly from phone service providers. The remaining required funding will then be divided and billed to participating agencies based upon schedules and rates established by the Authority's Board of Trustees.

Should Authority determine a change is necessary the parties will meet and confer on an urgency basis to determine an appropriate new annual charge. Agency recognized that the Authority's ability to provide services may be materially limited if a new appropriate annual charge is not agreed to by the parties.

All amounts due under this agreement shall be billed and paid for in the following manner; (a) Agency shall receive a monthly invoice (such invoice to set forth a description of the services provided) for all Services that the Authority delivers or causes to be delivered (b) each invoice shall be payable within 30 days after the date of the invoice, (c) Agency may opt to pay total annual amount due, such payment must be made within 30 days of contract start date.

No dispute arising under the contract nor shall interfere with Agency's prompt payment of invoice.

In the event of nonpayment, the Authority's remedy shall be to terminate this Agreement upon thirty (30) days notice; to discontinue the provision of services hereunder; and file suit to recover unpaid amounts. Before any such termination, the parties shall meet and confer on an urgency basis to resolve any outstanding issues.

Agency is financially responsible for services rendered for all months used in the fiscal year if termination occurs.

Agency shall be liable for all expenses, including attorneys' fees, relating to the collection of the past due amounts and/or termination of services.
