

Fiscal Recovery Funds
Expenditure Documentation

Date 4/10/2023

MUSKOGEE County, Oklahoma

Identify the need or risk

Air quality and health risk of the spread of COVID at the Muskogee County Jail.

How does the proposed expenditure respond to the need or risk?

With the installation of ActivePure, there has been a significant drop in the cases of COVID and and other aerobic bacteria counts and fungal/mold counts.
The replacement of the cells and filters in the ActivePure System will enable its continued operation.
