Call our Service Department today (918-461-0303) to begin the process on an annual maintenance contract for your plotter(s). Our **H.P. Certified Technician** must first evaluate your equipment and perform a general maintenance procedure on it. *If repair is necessary, the plotter must be brought up to satisfactory condition before the contract can be made. If repair is not required, this call will serve as the first maintenance on your active contract.
