Identify the need or risk

Due to the increased death rate in Muskogee County, arising from COVID related illnesses, burials in county cemeteries has increased. It is necessary that the County have equipment available to conduct these burials more often than previous times.

How does the proposed expenditure respond to the need or risk?

The purchase of this equipment will allow the district to have equipment available to conduct burials when other equipment is committed to other projects.

Complete this section when tractors are sold. Statistics show that severity of injuries are greatly reduced and fatalities practically eliminated through use of ROPS and a seat belt if a tractor overturns. I have been advised and understand that the use of ROPS and a seat belt are recommended in almost all applications.
