Emergency Management: 918-682-2551

Refer to page one of policy for Officers numbers.

Detailed Emergency Instructions:

The most critical systems in the Court Clerk's Office are the District Court files. These are our vital records and are all computerized. These files are backed up daily to server and stored offsite at Administrative Office of the Courts, Oklahoma City, located at 2100 N Lincoln.

The Court Clerk's Office Office has some documents that are in paper form. These include all court records pre-2003. We do have backup for these paper documents, although they are vital to the functions of this office.

During an emergency all or part of this plan will be utilized depending upon the seriousness of the event at hand. The entire plan would come into play if the current building is rendered completely unusable.

*Inclement Weather: Should local Emergency Management declare a weather emergency, usually indicated by siren, all available monies should be secured in the office safe, providing time to do that without risk to personal safety. The Court Clerk or should lock doors behind them. If the emergency is identified as a tornado warning, all staff is to report to the basement of the County Courthouse, where a roll of staff will be taken to ensure that all are accounted for. Should anyone be missing, notify the Court Clerk or Sheriff's Department immediately. A first aid kit, and additional emergency supplies are stored there should they be needed. Any other weather event will be dealt with accordingly.

*Bomb Threat: In the event of a threat of this nature, all available monies should be secured in the office safe, providing that be done without risk to personal safety. Exit the office building at the direction of the Court Clerk or Sheriff Department(s) and report to the warehouse file storage building (do not lock office doors). Should the courthouse be declared unsafe, report to the entrance of Arrowhead Mall. Once staff has assembled, roll will be taken to ensure that all staff is safe. If anyone is unaccounted for, the Court Clerk, Supervisor(s), or law enforcement should be contacted. Under no circumstance return to the building until you are told that you can by the Sheriff's Department, Court Clerk or an Emergency Management Official of high standing in the county government.

*Fire: In the event of fire, all available monies should be secured in the office safe providing that can be done without risk to personal safety. Exit the office building at the direction of the Court Clerk or Sheriff Department (**do not lock office doors and use stairs during this evacuation, do not use elevator**). Once you have cleared the building, report to warehouse file storage building on 4th Street. There, roll will be taken to ensure that all are safe. In the event that someone is missing, report information to the nearest available emergency responder as well as the Court Clerk and/or Sheriff's Department.

*Miscellaneous Threat(s) Within the Office/Building: Given the mission of this office, citizens will occasionally become agitated and belligerent. Any incident of this happening in office or by phone should be reported to the Court Clerk and Supervisor(s). If conversations by phone give rise to concern that the caller may retaliate in some way or if threatening remarks are made, notify the Court Clerk and Supervisor(s) immediately. Authorities will be contacted and a report made on the incident. Incidents within the office should be met with opposition equal to the level of threat. You will normally know what to do in that situation....use your instincts but never underestimate the situation.

*General Complaints: Will be dealt with in much the same manner as they have been in the past and in accordance with the training. Staff is not expected to expend an excessive amount of time in cases where the citizen merely wants to vent frustration. Please summons the Court Clerk or Supervisor to the front office. Belligerent individuals are disruptive and create concern for all present. It may be necessary to notify the Court Clerk and/or Court Security to stand in. In any event, the Sheriff's Office must be contacted by phone 918-687-0202, to summon assistance. In the case of a violent customer, notify the Sheriff immediately.

*REMINDER: As Per Office Policy

In addition to our safety recovery plan we are including a plan for securities of computers for our office. If you find that you will be away from your desk 15 minutes or more it is important that you <u>log off</u> your system. You are responsible for what occurs on your computer so be vigilant in complying with this rule. No one outside of the office is at liberty to use any computer except for the public use computer (if available.) This may seem like an inconvenience and not necessary, but security of our systems as well as our office in general needs to be handled in such a manor that all loose ends to a possible mishap be prevented before prevention is needed.
