Re: Underwriting Company: Union Insurance Company
Insured: AYS LLC
Policy Number: 4700145
Claimant: AYS LLC
Claim Number: 80 PC 000000220968
Date of Loss: June 24, 2022

Dear Sirs/Ma'am

Please accept this letter as formal notice of a potential tort claim against Muskogee County. This letter also serves to inform all parties of the potential for subrogation claims to be filed against the county or any responsible parties. This letter asserts the rights of the Union Standard Insurance Company and our insured to seek recovery or contribution from the county and any potential responsible parties.

The accident occurred on 6-24-22 at the intersection of N0490 and E0830 Roads. The roads are also known as 224th Street and Skelly Road. The stop sign for westbound traffic on E0830 was missing when the loss occurred. This caused or contributed to the accident. Inspection of the scene shows that the section of E0380 that one of the involved parties was traveling on had recently been paved.

If the county maintenance department did not pave the road, please provide information on any construction company or crew who did the work and if the county believes the road crew failed to reinstall the stop sign. If your office is not able to provide information on the parties who did the road work, or any parties the county feels may have failed to reinstall the stop sign, please send notification to the party or parties and place them on notice of this loss.

Please refer this matter to your legal department, claims department or liability insurance carrier and have a representative contact our office.
