<sup>1</sup> Out of an abundance of caution, this notice of tort claim is all encompassing and asserts claims against any and all state and political subdivisions or persons; some may **not** apply.

**Factual Basis:**

The relevant known facts at this time according to best information and belief of Claimants' include but are not limited to the following:

On or about:

- i. On about August 23, 2023, Law enforcement (City of Muskogee, County of Muskogee, State of Oklahoma, and/or United States of America) actively participated in an arrest warrant for TABRION WALKER.
- ii. The WALKERS did not consent or give law enforcement authority to search.
- iii. However, during the service of the arrest warrant, city, county, state and/or federal law enforcement acting under color of law exceeded their constitutional and legal authority and the scope of the arrest warrant and conducted an invasive and intrusive, and unlawful search – without exigent circumstances and beyond that of a protective sweep - of the WALKER'S home and their personal property located at 2604 Williams Ave. in Muskogee, Oklahoma, Muskogee County, in which after the search valuable property was missing and/or damage was caused to the WALKER'S property.
- iv. Further, during the execution of the arrest warrant, law enforcement engaged in threatening, intimidating, and harassing conduct against the WALKER's, including threats of arrest for harboring a fugitive – without evidence, facts, or a legal basis for doing so.

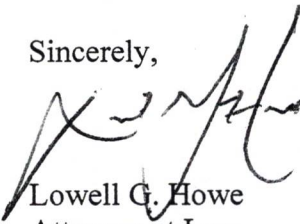

As result of these wrongful acts and conduct you are subject to federal liability for violating Claimant(s) civil rights. As a result of the alleged wrongful acts and conduct, Claimant(s) suffered physical, mental and/or financial injury and seeks actual and compensatory damages in excess of \$ 75,000.00, and punitive damages in excess of \$ 75,000.00.

**YOU ARE HEREBY NOTIFIED** that I represent, Claimant(s) in state tort and federal claims. The purpose of this letter is to provide notice of Claimant(s) civil claims against you as dictated by the Political Subdivision and Governmental tort Claims Act, codified in Okla. **Further, you are hereby notified** that if Claimant(s) (or family or loved ones), suffer any retaliation, harassment, mistreatment, abuse, injury or harm from you, or any City, County, State, and/or Federal employees, which is directly or indirectly related to pursuing this action, he/she/they will seek any and all legal civil and criminal remedies available to him/her/them by the Court. **More so, you are hereby notified** to preserve any and audio/video evidence recorded using the officer's body cam, dash cam, surveillance, and any other evidence depicting the alleged events that occurred on or about August 23, 2023, or related events including but not limited to administrative and disciplinary proceedings.
